

Bug Report #2

Bug Title:	Generic error displayed when Contribution Amount exceeds maximum limit
Reported By:	Denisa Marinescu
Reported Date:	3/9/2026
Status:	New
Priority:	Medium
Severity:	Medium
Area of Application:	TFSA Calculator → Inputs → Contribution Amount
Reason of Error:	Design/Validation message handling
Environment:	Windows 10, Chrome
Description:	When the Contribution Amount exceeds the allowed maximum, the calculator shows a message: "Select a number within the range." The message does not state the valid limits, so users cannot correct the value easily.
Steps to Reproduce:	1. Open the TFSA Calculator page 2. Enter: Starting Balance = 1,000 Contribution Amount = 30,000 Contribution Frequency = Monthly Number of Contribution Years = 5 Annual Rate of Return = 15 Gross Annual Income = 70,000. 3. Click
